Insurance

As the owners of the Halls Complex the Church Council holds Public Liability cover but it is the responsibility of the Hirer to ensure that they have sufficient Public Liability cover in place. The Church Council reserves the right to ask for confirmation that cover exists, should it deem it necessary, before the Hall is hired. In practice, most properly formed bodies do have such insurance cover and in the case of a small group affiliated to a national organisation it is usual for the national body to provide cover for such affiliated groups. Organisers of private events are reminded their events are run at their own risk.

Declaration

I/We agree to be bound by the conditions as set out in the Conditions of Hire and agree to indemnify the Church Council in the event of any loss or damage to the premises and for any claim made by any party for bodily injury arising out of our use of the premises.

Hirers are reminded that they are responsible for any accident or injury arising out of the activity for which they have booked the premises. It is the responsibility of the hirer to ensure that the premises are safe for the purposes for which they intend to use them. Hirers must complete details of any accident or incident on the form in the folder, which is located in the drawer in the disabled toilet, placing the completed form in the Office letterbox. The Hirer must notify the Hall Management Committee of any incident (01707 665579) within 24 hours. Instructions about how to record the incident are in the folder.
